

At BHEL's Bhopal location, Dr. Nalin Shinghal, chairman and managing director, officially opened a 5 MW solar plant.

Dr. Shinghal stated at the time that BHEL is dedicated to the preservation and protection of the environment in all phases of its activities and that environmental protection is of the utmost significance nowadays.

Significantly, this solar photovoltaic power plant will generate 79 lakh kW of electricity yearly on a 20-acre site, saving around Rs. 5.5 billion annually.
