

In the National Capital Region's Greater Noida, Gautam Solar has opened a new warehouse. With the expanded expansion, Gautam Solar will be able to supply solar panels to the whole national capital in a flash.

The solar panels, comprising bifacial solar panels, poly 335 Wp DCR & non-DCR panels, mono 440 Wp bifacial solar panels, and mono half cut 540 Wp solar panels, will be stocked at Gautam Solar's newest warehouse. The items will primarily meet the needs of solar power plant EPC businesses and solar system integrators. The new warehouse has a total space of 3,400 square metres.

"Gautam Solar is ensuring delivery within 24 hours to solar EPC & system integrators at Delhi, NCR, Western Uttar Pradesh, and Haryana. The stocks are asserted to be picked up as soon as it is required. The faster delivery and easy availability of the Gautam Solar panels will be catered through full truck loads or part truck loads for big or small quantity of orders," mentioned Managing Director of Gautam Solar Gautam Mohanka.
