

KEC International, a worldwide infrastructure engineering, procurement, and construction (EPC) firm, announced fresh orders totaling Rs 1,092 crore across its different businesses on June 20.

The transmission and distribution (T&D) sector of the RPG group has received orders for projects in India, the Middle East, and the Americas, according to a release. In India, its civil business has received orders for residential, industrial, and defence markets.

The civil business has also received orders for two 25 kV Overhead Electrification (OHE) and related works for speed upgradation (Mission Raftaar) in India for the Railways, as well as orders for other types of cables in India and abroad, according to the firm.

Vimal Kejriwal, MD and CEO, KEC International commented, "We are pleased with the new order wins secured across our business verticals."
