

Aether Industries, Surat, has given K.P.I. Global Infrastructure an order for a solar power project with a capacity of 16 MWdc under the company's 'Captive Power Producer CPP' segment.

In India, K.P.I. Global Infrastructure produces and sells solar energy under the Solarism brand. As an independent power producer and captive power producer, it develops, builds, owns, runs, and maintains solar power plants.

The company's consolidated net profit increased 67.61 percent to Rs 70.01 crore in Q3 FY22 over Q3 FY21, thanks to a 20.32 percent increase in net sales to Rs 622.37 crore.
