

ArcelorMittal Nippon Steel India (AM/NS India), a joint venture between the two global steel giants, has given the Minerals & Metals (M&M) Business of L&T Construction several orders in the Iron & Steel and Beneficiation sectors to carry out their expansion plans in Gujarat and Odisha.

The orders comprise various packages, awarded recently:

- Installation of two blast furnaces of 3.5 MTPA capacity each on an EPC basis at their Hazira Plant in Gujarat. The scope inter alia includes associated supplies, construction, installation of both units – Blast Furnaces 2 and 3 concurrently in a phased completion.
- In the same complex, M&M will carry out the installation of a Steel Melt Shop of 6 MTPA capacity with detailed design and engineering for the entire plant, supply of identified items and complete construction. The scope includes plant layout, installation of steel making facility, Secondary Metallurgy, and Slab Casting units concurrently within the agreed schedule.
- Building a 6 MTPA Ore Beneficiation Plant at Sagasahi in Odisha on an EPC basis.

The Minerals & Metals (M&M) Business offers complete EPC solutions for the Mining, Minerals & Metals sectors across the globe.
