

Larsen & Toubro's Buildings & Factories Division has received several orders from notable clientele.

The Government of Telangana has given the Health sector of the company an order to build a super speciality hospital in Warangal on a Design & Build Turnkey basis with strict timeframes. The project comprises the construction of a 1750-bed super speciality hospital as part of Telangana's Warangal Health City. When finished, it will be one of the state's largest hospitals with contemporary amenities, as well as the country's tallest hospital building. Apart from the 1750-bed hospital, the project entails the construction of a basement+ ground + 23-story structure, as well as several auxiliary buildings with a total built-up area of 1.65 million square feet.
