

[Larsen & Toubro \(L&T\)](#), Tata Projects (TPL), and Shapoorji Pallonji (SP) have submitted proposals for the development of Noida International Airport in Jewar, Uttar Pradesh. The project's development plan was authorised, according to the CEO of [Noida International Airport Limited](#) (NIAL), with the civil construction contractor for Phase 1's development slated to be finalised on April 28.

The first phase of Noida Airport will include a 90,000-square-meter Terminal 1, a 4150-meter-long Code 'E' runway (Runway 10/28) with CAT III approach lighting and visual aids, a parallel end-to-end taxiway, an Air Traffic Control (ATC) building, a cargo facility, and commercial complexes.
