

- **Jaideep Ispat & Alloys** is planning to take up ingots / billets TMT bars expansion project in Industrial Area Pithampur, Dhar, Madhya Pradesh. The project involves expanding the existing production Ingots / Billets 475000 TPA to Billets, Blooms & Molten Metal (semi finished products) – 750000 TPA and TMT Bars 475000 TPA to TMT Bars, Wire Rod, Binding Wire, Pipes, Strips, Structures (Angles, Channels, guarders) & all type of MS Rolled products – 725000. The estimated cost of the project is Rs.3000 million. As of January 2021, environment clearance for the project is underway.
- **Shri Sharma Steeltech** is planning to take up new TMT bar manufacturing project in Bawari, Behind Murtikala Zone, Sarna Dungar Industrial Area, Jhotwara (Ext), Jaipur, Rajasthan. The project involves production of TMT Bar (1,00,000 TPA) and Angle/channel (1,00,000 TPA) by using reheating furnace & rolling mill in the area of 2.3706 Ha. The estimated cost of the project is Rs.36249 million. As of February 2021, environment clearance for the project is underway.
- **Shree Krishna Rolling Mills Jaipur** is planning to take up rolling mill unit expansion project in Jhotwara Industrial area, Jaipur, Rajasthan. The project involves expanding the rolling mill unit the production capacity M.S. Ingots/Billets :60000 TPA and TMT bars & Structural sections : 160000 TPA. The estimated cost of the project is Rs.190 million. As of February 2021, environment clearance for the project is underway.
- **Shri Prithvi Alloys** is planning to take up rolling mill unit expansion project in RIICO Industrial Area, Bagru extension phase -II, Jaipur, Rajasthan. The project involves the production of MS TMT bars, structural Sections and MS Ingots/Billets. Existing capacity of the plant for MS ingots and Billets manufacturing is 28,800TPA. Plant capacity for manufacturing TMT bar and sections capacity is 28,800 TPA. Planning to increase the capacities for both induction furnace (upto 60000 TPA) and TMT bar and sections manufacturing (upto 100000 TPA). The estimated cost of the project is Rs.188.3 million. As of February 2021, environment

clearance for the project is underway.

- **Raghuveer Metal Industries** is planning to take up TMT Bars manufacturing expansion project in Bidikchyawas, Nasirabad Road, Ajmer, Rajasthan. The project involves expansion in production of TMT Bars capacity from 48000 TPA to 64000 TPA and Steel Strips 36000 TPA by using Re-Heating furnace & Rolling mill. The estimated cost of the project is Rs.143.682 million. As of February 2021, environment clearance for the project is underway.
- **VMS TMT** is planning to take up manufacturing of TMT Bars and Ingot Project in Bhayla, Ahmedabad, Gujarat. The project involves to start production activities of TMT Bars and Ingot / Billets with production capacity of 30000 MTPM and 31500 MTPM respectively. The proposed project will be carried out in land area admeasuring 40170 meter square. The estimated cost of the project is Rs.350 million. As of March 2021, environment clearance for the project is underway.
