

The 118th meeting of the State Level Single Window Clearance Authority (SLSWCA) of the Odisha government was held recently.

As many as 18 industrial projects in the state, totaling about Rs 3,457 crore, received sanction from the committee presided over by Chief Secretary Pradeep Kumar Jena. 14,436 individuals in Odisha will have employment prospects thanks to the initiatives, according to sources.

The investment will be made by companies including TYK Ceramics India, Calderys India Refractories, Shrijay Foils, Thakur Prasad Sao & Sons, SMS India, Ferro Alloys Coporation, Indiano Spl, Rudramukhi Infracon, Reliable Sponge, Abis Exports India, OgoEnergy India, and Toshali Cement.

During the Make in Odisha Conclave 2022, at least 10 of these investment intentions were received. This demonstrates the enormous success of the conclave in luring investors and solidifies Odisha's ranking as the second-best state for luring investors in the 2022-2023 fiscal year.

The state government is committed towards converting the investment intents into ground reality and in this endeavour, holds SLSWCA meeting at regular intervals to fast-track grounding of projects.

Projects spread across diverse sectors like metal downstream and ancillary, pharmaceutical, food processing, cement, textile & apparel, IT & ESDM, and agro processing received approvals in the 118th meeting of the SLSWCA.
