

Schneider Electric has opted to extend its operations in Hyderabad by establishing a second state-of-the-art manufacturing facility.

This year, the World Economic Forum named Schneider Electric's first facility a "Advanced Lighthouse" for incorporating four IR technologies, including IIOT infrastructure, predictive / prescriptive analytics, and AI deep learning.

Telangana Industries and Commerce Minister K T Rama Rao met with Schneider Electric leadership on the sidelines of the World Economic Forum 2022 in Davos and announced the second unit.

Schneider Electric, a worldwide pioneer in energy management and automation digital transformation, has a presence in over 100 countries.

Minister K T Rama Rao and Schneider Electric's Executive Vice President Luc Remont announced Schneider Electric's expansion and commitment to the state of Telangana by setting up the second state-of-the-art manufacturing facility in Hyderabad.
