

SJVN, a power company, would invest more than Rs 1,000 crore in three renewable energy projects in Uttar Pradesh.

Nand Lal Sharma, the company's CMD, stated that two solar projects with a combined capacity of 75 MW will be built in the villages of Parasan and Gurha in the district of Jalaun. The third 50 MW solar power plant will be built near Kanpur Dehat's hamlet Gujarai. SJVN is investing roughly Rs 1,057 crore in Uttar Pradesh with these three solar power projects, he noted.

"SJVN has been felicitated by the Uttar Pradesh government for investing more than Rs 1,000 crore in the state during the 3rd Investor Meet Ground Breaking ceremony. The event was chaired by Prime Minister Narendra Modi," the company said in a statement.
