

In the proposed 1200MW Solar PV Project of NTPC Renewable Energy Limited at Khavda RE Power Park, Rann of Kutch, Gujarat, with an aggregate capacity of 1500 MW, Sterling and Wilson Renewable Energy Limited has emerged as the successful bidder for the BOS package consisting of four (4) blocks of 300MW(AC) each (DC).

The overall bid would be worth INR 2,100 crore, including O&M for three years (inclusive of taxes).

The official NOAs and contract signing are anticipated to take place soon.
