

Sterlite Power reported that it has received various orders worth over Rs 1600 crore in the local and foreign markets for its solutions business.

In the MSI (Master System Integrator) category, the business has received orders from Power Grid Corporation of India (PGCIL), Damodar Valley Corporation (DVC), and West Bengal State Electricity Transmission Company Limited (WBSETCL).

The orders are for the installation and delivery of high-performance conductors and reconductoring solutions for transmission projects, according to the company.

Sterlite Power has received key first orders for EHV cables from state transmission utilities in Bihar, Madhya Pradesh, Maharashtra, and Karnataka, as well as orders for overhead lines from significant and reputable international clients in North America and the CIS.
