

Tata Power announced a partnership with real estate developer Rustomjee Group to deliver electric car charging options throughout its residential and commercial developments in the Mumbai Metropolitan Region.

Tata Power will build specialised charging infrastructure for residents of Rustomjee in Mumbai MMR as part of this agreement. EV owners will have access to a charging station that is open 24 hours a day, seven days a week, as well as maintenance assistance, according to an official release.

“Customers can connect through the Tata Power EZ Charge mobile application for all services including remote vehicle charging monitoring and e-payments,” it said.
