

Tata Power Solar Systems announces off-grid solar solutions in
Bengal, Bihar | 1

Tata Power Solar Systems announced the introduction of affordable solar off-grid solutions in West Bengal, Bihar, and Jharkhand.

A wholly-owned subsidiary of Tata Power Renewable Energy Ltd. is Tata Power Solar Systems Ltd. (TPREL).

According to a business release, the off-grid solutions combine high-efficiency solar modules, inverters, and batteries. They are offered in 11 variations ranging from 1 to 10 Kw and come with a 5-year warranty.

The company's products are designed to meet consumers' needs for an effective integrated power system for their backup power needs when the grid is undersupplied.
