

Ultratech Cement has announced the completion of a 1.5 MTPA brownfield cement grinding unit in Jharsuguda, Odisha.

According to the company, this is part of the ongoing capacity expansion.

In Odisha, the company's total cement capacity has increased to 4.1 million tonnes per year (mtpa).

With this addition, the company's total cement manufacturing capacity in India has increased to 122.85 mtpa.

UltraTech Cement is a company that manufactures and sells cement and cement-related products.
