

Waaree Renewable Technologies secures LoA for Turnkey EPC Services of 154 MW Solar Power Plant | 1

One of India's top renewable energy companies has awarded [Waaree Renewable Technologies Limited](#) (formerly Sangam Renewables Limited) a Letter of Award (LoA) for the turnkey engineering, procurement, and construction (EPC) of a solar power project with a 154MWp DC capacity as well as five years of operation and maintenance work. According to the terms of the order, the project is anticipated to be finished in F.Y.2023-2024.

[Waaree Renewables Technology \(WRTL\)](#) is subsidiary company of Waaree Group and spearheading the solar EPC business. Waaree Group has successfully installed 10,000 plus solar projects, with a total operating capacity of more than 600 MW. The company is also a solar developer that finances, constructs, owns and operates solar projects.
